

Hello!

Thank you so much for participating in the clearance process to serve here at New Beginnings Community Church! As more people and families hear about the good things God is doing here, our church continues to grow and we are extremely blessed.

New Beginnings exists because people like yourself volunteer to serve so that people can hear about the love of God through His word, your example, and through the relationships they make through classes and fellowship.

The steps to become cleared are listed below. If you need any help or have any questions about the process, please do not hesitate to contact the church office at (951) 734-9574.

Congratulations on stepping out and becoming available to be involved in the lifeblood of NBCC!
